

Industrial Symbiosis

Where waste becomes a valuable resource

The Plots

Resource SMART industrial symbiosis **Árbakki** **Eco-Industrial Park**

Ranging from 4,899 to 55,461 m² and located just north of Húsavík, the plots at Bakki are connected by a private tunnel to the industrial harbor in Húsavík and powered by a geothermal plant Þeistareykir.

Explore these opportunities to find the perfect fit for your business needs within our eco-friendly and sustainable industrial park.
